

Personal, Social and Emotional Development

Self confidence & self awareness, managing feelings and behaviour, making relationships

Continue to follow our golden rules in our new nursery building. We will do lots of transition work to get ready for school. We will focus on becoming more confident in our new environment and show confidence to speak about our own needs, wants and interests.

Communication and Language

Listening & attention, understanding, speaking

Continue to listen and enjoy stories. We will begin to ask questions such as who, what, where and why. Understand more complex sentences and able to follow simple instructions.

Physical Development

Moving & handling, health & self-care

We will explore and experiment with different media to make different marks. Focus on holding our pen between two fingers and thumb showing control when we make marks.

Literacy

Reading, writing

Continue to show an interest in stories and rhymes. We can distinguish between the marks we make and sometimes give meaning to them as we paint and draw. Continue to practise to write our own name.

Nursery Term 6
June—July 2017

These are some of the areas we will be covering with the children through observation, play and small group work, allowing children to follow and develop their own interests. If you notice anything your child is interested in and would like to add it to the planning please see a member of staff.

Mathematics

Numbers, shape, space & measures

Continue to look at reciting numbers to 10 and beyond and recognise numbers to 5. Recap on shapes and their properties and explore 3D shapes.

Expressive Arts and Design

Exploring & using media & materials, being Imaginative

We will explore and experiment with different media to help make our fathers day card and gift. Notice the different marks that we make and begin to understand that our lines we make can be used to represent objects. Select and use appropriate resources to make our creations and adapt where necessary.

Understanding the World

People & communities, the world, technology

This term we are exploring mini-beasts. Will be looking for detailed features of different insects and showing care and concern for them.
