

Personal, Social and Emotional Development

Self confidence & self awareness, managing feelings and behaviour, making relationships

Continue to follow our golden rules focusing on kind hands and tidying up our toys. Continue to encourage and support children to play alongside others as well as in a group. Have confidence to speak and take part in new situations when doing transition days. Can adapt our behaviour to different events and new routines.

Communication and Language

Listening & attention, understanding, speaking

Continue supporting children in their listening and recalling skills through stories and songs. To be able to listen and follow instructions.

Physical Development

Moving & handling, health & self-care

Continuing to practise using three fingers and thumb to make our marks and practise our scissor control. Continue to write our names by copying letters. To be able to move and run safely with control when taking part in sports day. To observe how exercise has an effect on our bodies.

Literacy

Reading, writing

Continue to enjoy our favourite stories and nursery rhymes. Continue our daily phonics session by looking at rhyming words and rhyming games. Begin to listen to the sounds at beginning of words and able to notice a difference between two.

Nursery Term 6– June– July 2018

These are some of the areas we will be covering with the children through observation, play and small group work, allowing children to follow and develop their own interests. If you notice anything your child is interested in and would like to add it to the planning please see a member of staff.

Understanding the World

People & communities, the world, technology

Continue to observe and comment on the signs of summer throughout the forest and nursery garden. Explore our carrots and peas to see how they have grown.

Mathematics

Numbers, shape, space & measures

Continue to recite numbers to 10 and beyond and recognising numbers to 5. Continue to look at 2D shapes and their properties and begin to look at 3D shapes. To show an interest in numbers and number problems through lots of maths games.

Expressive Arts and Design

Exploring & using media & materials, being imaginative

Through our continuous provision of pens, paint, and play-doh children will be encouraged to have their own ideas in how to be creative with these resources. We will be making something special for Fathers Day.
