Term 4

February- April 2017

Dear Parents / Carers

We hope you all had a lovely half term. This term we are focusing on numbers and counting to 10 and beyond. We will explore how numbers can represent objects and look at counting objects we can find. Spring is upon us so we will be looking at the changes we can see in the forest area. We are focusing on turn taking and sharing within our play. We are going to continue our story making project of 'Little Rabbit Foo Foo', which the children are really enjoying. Please find attached the story so your child can share it with you at home. As well as these planned activities we will plan activities around the children's interests.

Snack / Lunch time

We like to encourage children to make healthy choices. At snack time we provide children with a drink of water or milk and some fruit. This is alongside a healthy carbohydrate such as wraps with cheese or breadsticks. In order to keep our nursery fees down we would like to ask parents if once a week they can provide a piece of fruit that can be shared at snack time. Please can we kindly ask that if you bring any fruit or food in lunch boxes such as grapes or sausages that they are cut length ways as this reduces the risk of choking.

Sickness

Due to nursery grant conditions we would like to ask parents to please phone/ text us on 07764357373 or call the school office on 01761412777 if your child will not be in nursery as we have to keep a written record of absences. If you know your child is going to be off in advance for holidays/ appointments to let us know. If your child is sick or has diarrhoea they must not return to nursery until they are 48 hours clear. This helps to stop it spreading to other children /parents and staff. Please can

we also ask you not to send your child to nursery with a high temperature as we cannot look after sick children.

Wellington Boots

It has come to our attention that some children have outgrown their boots. Can you please check to make sure they have the right size.

Nursery Hours

We would like to remind you that nursery session hours are 9am-12pm or 12pm -3pm. We kindly ask that children are picked up promptly ensuring that we keep to our staff ratios.

World Book Day- Thursday 2nd March

Come in dressed as your favourite character to join in with the school assembly.

Open morning- Thursday 6th April

Come and look at your child's special folder and join in with Easter crafts. Refreshments will be provided.

Wow cards

We love to hear about your achievements at home! Please help yourself to WOW cards which are on the parents notice board/ attached to this newsletter, to record any achievements your child has done at home that you would like to share with us.
