

English

In English, we have a 30 minutes phonic/ spelling session daily where we will consolidate and further our phonic understanding and learn new spelling rules and patterns. What is learnt during these sessions will feed into our daily English lessons.

We will also have a specific spelling, punctuation and grammar lesson once a week which will then be embedded in future English sessions.

During English lessons this term we will be creating instructions based on Granny Island's recipe's and writing a recount of our trip to the theatre. As well as that we will also be exploring tales from other cultures including the story of Rama and Sita and Greek myths and legends.

Art/ DT

IN art this term we will be creating our own maps. We will be exploring pattern and texture, learning how to stain paper to create some very old looking maps. We will also be using beaten flowers from the forest to create some beautiful patterned bunting.

Maths

In maths this term we will revisit and extend our learning of multiplication and division. As well as this we will also be putting addition and subtraction in to different perspectives.

We will continue learning maths through a concrete, pictorial, abstract approach.

We will also learn problem solving strategies where we will have an opportunity to use and apply our mathematical knowledge.

All of this will be taught in conjunction with learning vital number facts including counting in steps of 2,5 and 10; learning number bonds to 10 and 20.

We will also be exploring shape and measure, position and direction, fraction and continuing work on the 4 operations.

All aboard!

Oak Class

Year 1

Summer Term 6

PE

In PE this term, we will be practising athletics and skills. We will also be learning the fundamentals of outdoor games for example tennis and rounders.

RE

In RE this term, we will be learning why Christian's think Jesus is important and also learning different stories from the bible involving Jesus.

Science

In Science we will be investigating plants. We will be discussing and identifying different parts of a plant as well as, observing the different stages of a plant when it grows. We will be investigating what will happen if plants are not given enough sunlight or water also.

Music

In music this term, we will be doing some music appreciation, mostly involving music from different cultures and countries. Also, using instruments to create pieces of music to represent what we would hear in a boat at sea or at the beach.

PSHE

Our SEAL theme this term is: Changes. We will be using the 'I am, I know, I can' syllabus. We will also be continuing with our internet and personal and road safety work.

Computing

In Computing, this term our topic is 'We are photographers'. We will be taking pictures with the iPads and learning how to make simple edits to the pictures.

Geography

This term we are going to be exploring the British Isles and compare it to other countries. We will be learning about the Galapagos Islands, discussing its geographical features. We will then compare and contrast town to island life.
