

8th October 2015

Dear Lilly

Thank you very much for applying for an E Team Grant which I received today, along with some evidence of all the work you are doing. It is really impressive and I'm delighted to inform you that you qualify for the £100 grant, which I will send over to your school as soon as possible.

It would be lovely to be invited into your school at some point so that I can see at first hand all the great work you're doing.

Good luck and best wishes

Kate
