

Please share your views as parents of the school on Ofsted Parent View at <https://www.gov.uk/government/organisations/ofsted>

Please see our guide on how to register and log in on the Parent Feedback Page.

We greatly appreciate parent feedback and believe that as a school, partnership with parents is important. We have an open door approach at Longvernal, where staff welcome your involvement in school and view education as a two way partnership.

In July 2015 we analysed data from Ofsted Parent View to gain feedback on what you feel about our school. At that time there were sixty three families attending Longvernal School, fifteen questionnaires were will in on line.

We are pleased that parent meetings have helped with your understanding of how homework works within school. Please talk to your class teacher if you have any queries or any further concerns. We also have parental guides for SPaG and for Mathematics, please ask for a copy of these from your child's class teacher. Parental workshops will be repeated in the Autumn Term of 2015/6.

**Feedback was shared with staff and we thank you for your positive comments.**
