

Prevent Strategy

As part of Longvernal's commitment to safeguarding and child protection we fully support the government's *Prevent Strategy*, and take guidance from *Teaching Approaches to help build resilience to extremism*.

What is the Prevent Strategy?

The Prevent strategy is a government strategy designed to stop people becoming terrorists or supporting terrorism. It:

- **responds to the ideological challenge we face from terrorism and aspects of extremism, and the threat we face from those who promote these views**
- **provides practical help to prevent people from being drawn into terrorism and ensure they are given appropriate advice and support**
- **works with a wide range of sectors (including education, criminal justice, faith, charities, online and health)**
